A MESSAGE FROM OUR PRESIDENT

Dear Fellow Blackhawk Families, Friends, and Fans,

As we conclude another Winter Sports season and look forward to the spring the West Aurora Blackhawk Sports Boosters will continue fundraising to support Athletics. Supporting our student athletes and sharing their accomplishments is what makes the West Aurora Blackhawks program so successful. The West Aurora Blackhawk Sports Boosters have been supporting our athletes and teams since 1970, and we have contributed well over a million dollars to date.

We are at the beginning stages with nominations for the Blackhawk Sports Boosters Board for the 2015-16 academic school years. The Blackhawk Sports Boosters look forward to your continued support in helping out all the athletic programs. In addition to your financial help by becoming a Sports Booster Member, why not join the fun and volunteer your time through a variety of positions. As always if you are interested in serving or just volunteering with the Board please feel free to contact us. Like in years past I am very excited with the enthusiasm, dedication, and the support this Board brings to the table each year.

The Athletic Department and the Sports Boosters have been busy fulfilling the "Wish List" for all sports at the high school and middle schools, further information regarding the capital items will be on the website. Make your plans now to attend the Annual West Aurora Blackhawk Golf outing on Friday, June 5th.

Again, thank you for your continued support for the West Aurora Blackhawks. Your generosity means a great deal to our athletes and community.

Roll on, you Blackhawks Roll...

BOOSTERS GRANT WISHES

FOUNDED IN 1970,
The West Aurora Blackhawk Sports Boosters is the official athletics fundraising organization of West Aurora High School. Since its inception, the Boosters have raised more than one million dollars toward support of athletic scholarships, equipment and supplies. This year, thanks to your contribution, the Boosters have proudly provided more than \$65,000 to support our coaches' "Wish List" requests!

You can still be a part of the West Aurora Blackhawk Sports Boosters!

Visit our webpage at:

www.BlackhawkSportsBoosters.org

To print a membership application or to join online, click on the **Boosters Info** section

We have our annual open meeting on **Monday May 11**. Come “be a part of it” and meet our board and other members!

Questions? Contact us at

Info@BlackhawkSportsBoosters.org

We have opportunities to volunteer your time and talents to support West Aurora athletics.

You can give a couple of hours, or as many hours as you would like. The student-athletes and coaches appreciate your support by donating your time, talent and financial gifts.

**It's
not
too
late...**

Roundball Recap

By Chris Faber

Well, Sports Fans, another basketball season is in the books. As these things usually go, it was a season with some ups and downs, and I'm not just talking about Roland Griffin's dunks. Coach Kerkman and company opened the season in usual fashion by heading out to Rock Island for the Thanksgiving Classic. After a couple weeks of practice, everyone is always anxious to get on the floor and start playing games that count. The coaches take this time to pass on wisdom to the new players, such as the intricacies of the zone press, execution of a baseline inbounds play, and the proper amount of ice cream to add to your brownie bowl during the team dinner at Ryan's Buffet. West went 2-2 in Rock Island, finishing 3rd overall.

After the Thanksgiving trip, it was time for the Blackhawks to make their return to the Upstate Eight and being their conference season. It was evident from the very beginning that this is not the Upstate Eight that we remember, as this conference features new starting times, games on Thursday nights, and a season opener that took place at a school that came into existence in 1997, a mere 130 years after West High. I'm fairly certain there are newspaper clippings in Gordie's office that are older than Bartlett High School. The Blackhawks found themselves losing the conference opener in a triple-overtime heartbreaker, then bouncing back strong the next night with a convincing victory over That Team From The Other Side Of The River. They went 4-2 in December before heading to the 84th Annual Pontiac Holiday Tournament. The first two days in Pontiac were successful, with victories over Lockport and Oak Park River Forest, and then they finished up December with a loss to state-ranked Simeon in the semi-final and then bounced back with a win over St. Charles North to take home the third place trophy on the last day of the month.

After Pontiac, West Aurora got a little break that ended up turning into a long break, due to Old Man Winter entering the scene and causing a scheduled game against Waubonsie Valley High School to be postponed. After a 16-day layoff, they finally got back in action with a home game against Bartlett, where they avenged the earlier loss with a 68-55 victory on their home court. January was good for the Blackhawks. They went 5-1, with the only blemish coming to a very talented Chicago Whitney Young team in a shoot-out at Glenbard East

February had some highlights and lowlights. Coach Kerkman was injured while shoveling snow during the 19" snowstorm on Feb. 1 and missed the game against Metea Valley, which the Blackhawks lost. Then came a highlight as they got another taste of sweet revenge with a resounding victory over Neuqua Valley at home on Senior Night. Another lowlight followed on the next night, when they lost on the road against That Team From The Other Side Of The River. The next game featured a very big highlight, however, when they traveled to South Elgin and Marquis Howard set a school record by making 14 three pointers, securing Coach Kerkman's 800th career victory. Overall, February featured 4 wins, 2 losses, and 1 night where coaches Kieffer and Batka wore the same color shirts.

As March arrives, the Madness begins. West High hosted the Regional and won it for the 40th time, Coach Kerkman's 24th Regional title. They moved across the river for the Sectional, where they took home the school's 21st Sectional Championship, Coach Kerkman's 13th title as head coach. From there, it was on to the Super-Sectional for the 3rd time in the past 4 years. The Blackhawks went to battle with three players out of the line-up against Bolingbrook. This team, which began the season starting 5 seniors, had to feature a much different look. There were times when this varsity basketball team had 3 sophomores and a freshman on the floor together. The effort that West Aurora put on the floor that night was nothing short of spectacular. They came up a point short, but there wasn't a fan in the house that didn't walk out of the gym impressed and proud of the effort displayed by the Blackhawks on that night. It was a successful season with an impressive post-season run that left fans excited to see what the future holds for West Aurora Basketball.

Chris Faber is the assistant voice of the Blackhawks for the past ten years.

Chalk Talk

Charlie's Angles

For Coaching Wrestlers at West High Stay Current with Curran

By Tom Herget

Charles Curran is in his first year as West High's wrestling coach. Charlie, who has long had a passion for grappling, was a state qualifier at his home high school Hersey in Arlington Heights. Charlie continued this avocation at Elmhurst College where he won All-American honors. He graduated in 2011 with a major in special education.

Charlie's first job was with District #129. He teaches a self-contained class of students who are learning-challenged. The three to six youngsters in his class study math, English, science, vocational skills and life skills. Charlie has these same pupils all day.

Charlie finds it particularly rewarding to help these young adults with their social manner and to help develop a community-based skill set. He finds it frustrating when students struggle and do not believe in themselves. Some are good at the academics but foreign to social skills; the next student may be the reverse.

Shifting to after school, there are six coaches in the wrestling program. They oversee the varsity, JV one, JV two and frosh-soph squads. About 125 students try out each year; 90 pin down a spot on the team. The coaches promote an 11 month season. September and October see weight training, conditioning and open mats. The season commences in November and concludes in February. Free style and Greco, at the club level, run from March to May. June and July are camps. Thank goodness for a free August.

There are many attributes for the success of this program. Charlie credits the work ethic of his predecessors George Dyche and Mike DiNovo for creating a strong program. This strength is fortified by an impressive middle school program as Jaguars, Jay-hawks, Generals and Huskies feed quality grapplers into West High.

Charlie lives near the Fox Valley mall. But he's not a shopper; he enjoys reading, researching and brewing his own beer. In June of 2015 he will be a happy groom. New wife Laura will excel in preparing lettuce and toast for dinner.

Charlie is quite excited about our new superintendent's (Jeff Craig's) experience with and enthusiasm for wrestling. Charlie is eager to see the new wrestling arena with sky boxes. Well, more realistically, how about new ear guards?

We doff our caps to Charlie as his head and heart reach out to so many students.

UPCOMING MEETINGS:

Monday April 13

Monday May 11
(Open Meeting-all are invited)

All meetings (unless otherwise noted) are held at 7:00 PM in WAHS Room B140

2014-2015 Cheerleading

The 2014-2015 West Aurora cheerleading season has been filled with many fun and exciting experiences, as well as some noteworthy personal and team accomplishments. This summer, both the junior varsity and varsity squads traveled to the University of Illinois at Urbana-Champaign for the second time to partake in the Universal Cheerleading Association (UCA) stunting and tumbling camp. While attending, both squads excelled in adding advanced stunting skills to their list of abilities and were able to build a foundation of fond memories. Also, our very own varsity co-captains, Vatani Vongkorad and Emma Scatterday, proved to be worthy of The All American Cheerleader title.

Over the course of both the Fall and Winter seasons, our squads have been very busy reaching out to the younger generations by helping our community cheerleaders grow as people and as athletes. The Blackhawks hosted a total of three clinics, one devoted to our middle school cheerleaders, one to our elementary cheerleaders, and one encompassing all ages (K – 8).

There were many firsts this year for WAHS cheer. This year was the first year our program has welcomed a manager to help with both the junior varsity and varsity squads. Her name is Kiarra Cotto and we couldn't have hoped for a better person to fill her position! We were also lucky enough to help the pop Warner Fox Valley Gator Cheerleading organization host a multilevel cheerleading competition right here at West High. It was an exhilarating experience which gave our program many opportunities to portray why West is best. Finally on our list of firsts, East Aurora and West Aurora combined forces in order to provide an opportunity for our middle school cheer squads to show off their skills and perform at their first ever City of Lights Tournament. Both West and East high cheerleaders helped run the event to ensure its success.

This season our junior varsity squad was pronounced co-ed with the addition of two male cheerleaders, Mac Smith and Zach Popp. This meant we now had girls and guys who were able to work on perfecting their existing skills while acquiring new, higher-level skills too. All season long they strived to improve flexibility, build strength and raise their standards to keep reaching personal bests.

In addition to cheering on our Blackhawk football team in the fall, and our basketball team all the way to super sectionals in the winter, we too ventured our way into our own competitions at Buffalo Grove High School and Neuqua High School which hosted our Upstate Eight Conference Competition. All the hard work, persistence and dedication these teams contributed in preparation for this event showed as a final result. Both squads showed leaps and bounds of improvement and certainly matured in each category that included cheer, dance,

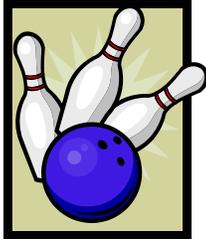

jumps, tumbling and stunting. As a result from our placement at the UECC, one varsity cheerleader was awarded the All-Conference title. Because Stephanie Lawrence is always driven to be the best, possesses an extreme amount of raw talent, and has the heart and the character of a natural born leader, she received this unique acknowledgement. Her family and she will be invited to attend the Excellence in Athletics Banquet for West High athletes in June of this year.

Looking back on all of the success and memories created throughout the season, it's obvious that our growing program has a progressive vision that will only strive to overcome the biggest and the best obstacles now and in the future. The same goes for this year's seniors, Rebecca Pearson, Rose Fitzgerald, Shalesa Hetherington, Sarah Grace, and Emma Scatterday. Ladies, we wish you the best of luck on all your future endeavors, but in your hearts, please remember that you will always remain a West Aurora Blackhawk.

2015 Boys' Swimming and Diving

The boys swimming/diving team had a terrific season. Chris Garcia our diver this year was able to compete at our conference meet making sure he had all 11 dives completed. Chris was brand new to the program and did an excellent job for us this year on the boards. Our junior varsity team finished their season at the conference meet with 100% best times overall. We even had two relay teams that were recognized on the blocks for their final place. The varsity swimmers finished their season at the sectional meet (Neuqua Valley High School) with 100% best times for the season and our freshman Tyler McLaren just missed the 200 IM state cut by 1 second. Overall, the boys had one of the best seasons of swimming/diving at West Aurora High School.

2015 Girls Bowling

The West Aurora Girls Bowling Team had a very successful year.

Varsity stats...9:3 overall match wins/losses (34:8 Upstate Eight Conference; Points given per game)

JV stats...8:3 overall match wins/losses (22:8 Upstate Eight Conference; Points given per game)

Both Varsity and JV finished 2nd in the Upstate Eight Conference, in their respected divisions.

Varsity Bowler Jamie McCreedy came in 1st place in the Upstate Eight Conference with a 221.5 season average, Corey McCreedy came in 7th place with a season average of 200.2, and Paytynn Kuhns placed 10th with a 191.2 season average.

During Regionals, West Aurora place 3rd, advancing the team to Sectionals. Jamie McCreedy took 2nd place at the Regionals tournament with 1271 series (211.8 average) and Sydney Lundell placed 14th with 1156 series (192.7 average). Paytynn Kuhns came in 20th with 1118 series (186.3 average).

During Sectionals, West placed 3rd, advancing the entire team to the State Competition. Leading the team was Sydney Lundell who came in 2nd place with 1296 series (216 average).

At the State Competition, West Aurora came in a victorious 4th place with a 201.3 overall team average. Jamie McCreedy placed 9th with a 216.9 average.

The team plans on returning to the State Competition next year and coming home with a trophy!

Dance Team 2014-2015

We started our season with summer practices and Universal Dance Association (UDA) camp. The routines learned at camp were performed at the Fall Jamboree and at the Homecoming Pep Assembly. At UDA camp, five Varsity dancers earned the title of All-American dancer. A huge congratulation to the following dancers for their accomplishment:

Hailee Brauer- Senior
Tori Joray- Senior
Olivia Daylor- Junior
Maddy Flynn- Junior
Kaitlyn Prentiss- Junior

The team is especially busy during the fall season with homecoming activities! In addition to participating in homecoming activities, the team participated in several community service opportunities including: Mutual Ground's Walk for Hope and West High's Fall Festival. The team always enjoys giving back to the Aurora community.

The Varsity team competed with IHSA this season. They competed at five competitions hosted by the following schools: Wheaton North, Fremd, Waubonsie Valley, and Geneva (Conference). Our sectional competition was hosted at Eisenhower High School. With a lot of hard work and persistence, the team placed 8th out of 16 teams at the sectional competition. From our first to our last competition, our routine's score increased by approximately 16 points.

The following dancers were recognized as Upstate Eight All Conference Athletes: Alyssa Arocho, Olivia Daylor, Tori Joray, Ellie Sheldon

CONGRATS to all Blackhawk dancers! We are proud of you!

2015 Wrestling

**Freshmen team-Conference Runner's up
JV1 team-Conference Champions**

Alex Gonzalez

Rashann Ford

Chachi Jacquez Named Outstanding Wrestler of UEC Conference Tournament

5th place team finish at the Regional Tournament

4 sectional qualifiers

Isaac Jacquez-Champion

Chachi Jacquez-Champion

Alex Gonzalez-Champion

Rashaud Jefferies-3rd Place

Isaac Jacquez-Sectional Champion

3 State qualifiers

Isaac Jacquez-5th place

Chachi Jacquez-5th place

Alex Gonzalez-6th place

This is a new school record to have 3 wrestlers place in the top 6 at their weight class at the IHSA State Tournament. Chachi Jacquez set a school record for single season win record with 51 wins.

Overall it was a great showing for the Blackhawk Wrestling Team this season. It was very impressive to watch the way our team competed throughout the entire season, but most importantly at the end of the season. The coaching staff asks a lot of these wrestlers daily and for them to be able to compete so well during the end of the season tournaments was very inspiring to watch. As a first year head coach it is rare to have a group that has this much success, and I think that is attributed to the quality group of young men we had the honor to coach this year. We look forward to continuing to work with the underclass men to help them develop in wrestling and life, and we wish the seniors the best of luck in their future endeavors.

2014-15 Girls' Basketball

Booster club: Thank you for supporting the Girls' Basketball team and your generous donation. We were able to purchase Varsity backpacks and pass our old ones to the sophomore and freshman teams for use next year.

Our West Aurora girls' basketball team found themselves a bit whelmed at times this year due to a lack of overall experience and player age. These girls showed great growth by closing the gap to compete with some very challenging teams in the second round of the season. We are a young athletic team, who has a strong desire to win. We are looking forward to next season and all our players will be returning.

Carley Frauenhoff, junior guard was named All-Conference, Player of the Week for the Daily Herald. 2nd Team Daily Herald.

Carley Frauenhoff broke the school record by making 89 three point shots in one season.

Ashley Williams was Honorable Mention All-Conference.

Congratulations to our winter sports state competitors!

Wrestling: Isaac Jacquez (5th place)
Chachi Jacquez (5th Place)
Alex Gonzalez (6th Place)

Bowling: Team 4th place in state
Jamie McCreedy 9th place individual

Chalk Talk

Learn and Earn with Vern Rich Vernon on Teaching and Coaching By Tom Herget

Rich Vernon is Nancy Hill's physical education teacher. He instructs all Hill students, from kindergarten through fifth grade, in the value of physical fitness. Since the students get but fifty minutes a week, Rich converts this structured chaos into something the kids enjoy and value. The emphasis is on fun.

When Mr. Vernon's day job is over, he heads west and dons the cloak of Coach at Herget Middle School. There Rich has led Huskie basketball and soccer teams since the school opened.

Rich has spent much of his life in the vicinity of HMS. Born in Chicago, Rich came to Elburn with his family. He graduated from Kaneland High School where he rubbed elbows (shoulders?) with famous Knight athletes P.J. Fleck and Don Beebe. Rich didn't stray too far to start college, enrolling at Waubensee Community College. Two years later, Rich matriculated to Western Illinois University where the Leatherneck earned his degree in K-12 Physical Education. Finally, he completed his Master's Degree in Educational Leadership at Aurora University.

Rich has always practiced what he has preached. In high school Rich ran cross country, played basketball and ran track. Rich earned all-state honors in CC as a senior; at Waubensee he continued this long distance sport. Today you will find him still honing his basketball and softball skills in the evenings and weekends.

Coach Vernon has footed the instructional duties for Herget Huskie soccer for ten years. He coaches boys and girls, 7th and 8th grade. To keep his tutorial talents up to speed, Rich tracked the World Cup soccer tournament last summer, reporting that Ghana's and Portugal's games were the ones to remember. Rich also noted our American players were built like accountants; many US football and basketball players would make great additions to US soccer.

Additionally, Rich also oversees the Huskies' basketball programs. The boys have made the City of Lights final four 4 times in the last 5 years. Rich's most renowned player was UConn's Ryan Boatwright; Rich recalls how the 8th grader could hoist the entire team on his shoulders. As for the girls' teams, kudos to Rich for leading them to the city title in three of the past four years. Rich thanks West's coach Connie Siljendahl for creating a Lady Blackhawk youth league and producing the talent that is coming through the middle schools.

What does Rich enjoy most about coaching? Remembering where individuals started, watching the improvement, and then looking at the team product at the end of the season. And what could be better about the coaching experience? Rich rues that fact that some candidates are excluded from participating because they cannot get a ride home from 100%-based Herget. Could an activities bus that drops kids off after practice at their elementary school give all students a chance to participate?

What does Rich enjoy most about teaching? It is experiencing the richness of ethnicity inherent in the district's population. It is feeling the excitement that the kids show for being in PE class. And what might be frustrating? That the kids get only 50 minutes a week of this activity. He is aware of budget issues.

One of Rich's most precious encounters at Hill had to do with not just a student, but a student teacher. Dial the clock back 15 years and Rich couldn't help but want to collaborate with then-intern Kelly. The two are now happily married... and still teaching in the same school.

Rich and Kelly enjoy grilling their own pizzas. When not doing the cooking themselves, the pair may be found dining at Chicago steakhouses. If there's a national shortage of ribeyes, now you know why. During the summer, the Elburn couple enjoys travelling to San Diego. Greeting them on their return home are Pancho and Sadie, two of the world's best dogs.

The canines may not be Huskies, but the Huskies at HMS and the children at Hill are fortunate to have Rich as their teacher, coach and mentor. We salute and thank Rich for his relentless devotion to the students in the district.

Season's Over

By Tom Herget

It is time to exhale. The mercurial Blackhawk boys' basketball season is now behind us. What a season it was.

For starters, from October on, this team got smaller. We lost a 6 foot 9 player at the beginning, a 6 foot 5 player in the middle and a 6 foot 2 player at the end. But the intensity increased, suggesting size does not matter.

It was a roller coaster season, with some awesome blowout wins and a signature loss here and there. The atmosphere at West, which seems inviting to WA fans, is actually intimidating to our opponents. More than once, at different games, people were heard saying "this is the best game I've ever seen." We witnessed a real rivalry game. Our coach notches his 800th win. And sophomores go undefeated. So much to celebrate!

When the post-season tournament starts, players and fans take it one game at a time. We win four in a row, capturing regional and sectional titles. Now it is OK for the P-word (Peoria) to creep into our thoughts and plans.

Then, the super-sectional. The day turns into a horror movie that you cannot turn off.

First, word drifts out that our sixth man is out with a broken foot. As if that's not enough, soon we hear our all-state candidate is out due to an altercation at school. This news mutes the Blackhawk nation but there is a reason you play the game. The Bolingbrook Rowdies rub it in at introductions, chanting "where is Roland?". In the third quarter, as the Raiders pull into a double-digit lead, they mercilessly chant "you need Roland." So what happens? Our under-heighted underclassmen up their game and pull into a tie. A last-second shot glancing off the rim ends the season.

It is a shame that the state couldn't witness our brand of Blackhawk basketball. Our trio of five nine guards certainly made the all-piranha team.

Economically, the final four almost realized the Peoria Chamber of Commerce's dream. In the quarter finals, three of the four teams whose community would best enhance the local gross domestic product won.

Stevenson won it all, undisputedly the best team in the state. But who holds the distinction of being at the other end? Sadly, the bottom of the barrel belongs to Rolling Meadows, who lost to Dundee-Crown, who lost to Barrington, who lost to Conant, who lost to St. Aviator, who lost to Lake Park, who lost to Geneva, who lost to Normal, who lost to Stevenson. Some team has to be there.

Season's over. So much trauma, so much drama. So many ups and downs. While it is difficult to transition to spring tennis, we can reflect on any lessons learned. One is a reminder that teenage boys sometimes behave like teenage boys. Another: while under much pressure and appeal, the administration stuck to its policies. They did not cave. While painful, administrative actions did serve to reinforce if not enhance the West Aurora aura and the value of its diploma.

Tom Herget is an attendee of WA games since 1955 when his father was sophomore coach and a regular contributor to this newsletter.
