**A MESSAGE FROM OUR PRESIDENT**

Dear Fellow Blackhawk Families, Friends, and Fans,

As we conclude another school year we say goodbye to our Senior Athletes and wish them well in their future. We also wish to congratulate the Boys Lacrosse team on their inaugural season at West Aurora.

Supporting our student athletes and sharing their accomplishments is what makes the West Aurora Blackhawks program so successful. The West Aurora Blackhawk Sports Boosters have been supporting our athletes and teams since 1970, and we have contributed well over a million dollars to date.

As of the June Board meeting we have introduced the new Blackhawk Sports Boosters Board for the 2015-16 school year, who are listed in this newsletter. The Blackhawk Sports Boosters look forward to your continued support in helping out all the athletic programs.

In addition to your financial help by becoming a Sports Booster Member, why not join the fun and volunteer your time through a variety of positions. We will continue producing and publishing our own programs for the fall, winter, and spring seasons which we are hopeful will become an annual revenue stream in supporting our student athletes.

The Athletic Department and the Sports Boosters have done the "Wish List" developed by coaches for all sports at the high school, further information regarding the capital items will be in in the fall newsletter.

Again, thank you for your continued support for the West Aurora Blackhawks. Your generosity means a great deal to our athletes and community.

Roll on, you Blackhawks Roll...  
Greg Jackman, WABSB President

# The Final Buzzer??

By Donna Olson

The first time I met Coach Gordie Kerkman was at one of his last school events, the Excellence in Athletics Banquet. As a 5'2" woman who continues to shrink as time goes on and who is married to a 5'10" man, our 3 average-height West Aurora students were not involved whatsoever with the basketball program. Due to health concerns, I am not able to hike our bleachers to watch basketball games, but I would follow a good number of them online and saw Coach Kerkman and his teams.

When Coach Kerkman was in action, he was truly in action! Rarely sitting on the sidelines, he very actively coached his players with great enthusiasm. He didn't seem to be an "in-your-face" coach in the style of Bobby Knight and he always seemed pretty cool and smooth BUT got his message across to his players.

I understand that he is a humble man who does not like a lot of fanfare and that was evident with his resignation after the basketball season was fully completed. When he announced his retirement, I reflected on his long, successful career with the Blackhawks. Many of us know about his 53 years of coaching, 39 of those years as head coach, his career record of 805-313, 24 regional titles, 13 sectional titles and 1 state title. What I cannot wrap my head around is the number of lives this great man has touched! Athletes, coaches, students, parents, fans, fellow staff, and so on to the 10th degree or so. This might be a good question for the BC Calculus students to work on, although I bet they would come up short.

With all the distressing news in the media today about people disrespecting others, often leading to injuries and sometimes leading to killings, we are so blessed to have a man in our community who has spent his life teaching young men the values of teamwork, respect for others, setting goals and working hard to reach those goals. We thank you Coach Kerkman, and know that the final buzzer has sounded for your official career but the results of your coaching will go on for a long, long time. Thank you Coach Kerkman for all you have done for our community!

### .Link in with Lincoln Meet Jefferson's Adams

By Tom Herget

Lincoln Adams started teaching at Jefferson Middle School 11 years ago. The McHenry native's first exposure to Aurora was at AU (otherwise known as Aurora University). Lincoln graduated from there in 2002 and was a Physical Education major. He played on the basketball squad where teamed with West's current AD Jason Buckley and roomed with fellow middle school coach Jeff Beatham. It's a small world.

At Jefferson, Lincoln teaches five PE classes a day but also wears the mantle of Athletic Director. While Lincoln has now mastered the ropes of being AD, he still breathes a sigh of relief when the officials and the opposing team arrive. This is for 25 different sports programs. He also is the coach of the 8<sup>th</sup> grade boys and girls basketball teams.

One of Lincoln's most positive experiences at Jefferson was some years ago when he met colleague Courtney. These PE and Spanish teachers soon became a couple and are now the proud parents of four children. This Sugar Grove family enjoys their summer cabin in Wisconsin. If there is any free time left over, Lincoln can be found on the golf course or a marathon trail.

Lincoln finds that helping the kids is the most fulfilling aspect of teaching. Lincoln knows he has reached his students when they respond with questions. It's obvious to Lincoln that many of his students are in need of help and support. It's rare he sees a child with two parents with steady traditional employment. He sees these children dropped off with nary a word of encouragement from whoever is driving the car. It's these kids that inspire Lincoln to take the extra step to embrace the child and hone in all areas, not just athletics, of needed life skills.

Since he sports the name of two presidents, it's not surprising to find Lincoln at the top of his game of moving our community forward.

## Gamble with Goebel

That's what Jaguars are doing with Jewel AD Steve

By Tom Herget

Not really; there's no roll of the dice here as Steve Goebel has been turning in years of solid performance at his first and only school.

The Newton, Illinois native has been teaching physical education at Jewel for 14 years. His role as Athletic Director reflects Steve's own affinity for and ability in sports, as he won nine letters in high school for football, basketball and track.

Steve touted his athleticism at Olney Central College where he played basketball. After two years there, he completed his education at Eastern Illinois University, gaining his BS in secondary education. The Panther continued his quest for learning by earning a MS in Educational Administration at Aurora University.

What does Steve like most about teaching PE? It's the chance to see every student in the school. He gets to know faces *and* the names.

At home, Steve's family comprises wife Heather and three youngsters ages 10, 8 and 5. All the kids are at the same grade school (Smith) this year. Heather and Steve can talk shop over dinner, as she teaches PE and health at West Chicago HS.

The couple enjoys dining at Foxfire in Geneva and are sushi fans too. If the kids are along, any fast food restaurant, such as Culver's, will do.

Have you ever heard of Goebel beer? Steve enjoys collecting cans from his namesake brewery whose last malt appeared in 1964.

During the summer, you can find Steve on the links. His trusty ten-year-old Nissan drives him well.

Steve is a great asset to the district. Go with Goebel is a sure thing for our students.

## 2015 Girls Soccer

Girls Soccer finished with a record of 9-11-3. We won the Blackhawk Tournament and competed in the PepsiCo Showdown, which is the largest high school soccer tournament in the country. We tied for 5th in the UEC Valley with a record of 2-4-1. Yulissa Espino and Katharine Stephens were both named to the All Sectional Honorable Mention team as well as All Conference. Riley O'Brien, Mariyah Zeitz, Sofia Papoutsis, and Jessica Ortiz were named to the All Conference Honorable Mention Team.

## 2015 Boys Tennis

The Boys Varsity tennis team went 4-12. Six of those losses went 3-4, so we are extremely close to being above .500. Varsity finished tied for 6<sup>th</sup> place in conference and 6 players competed in Sectionals. William Isiminger (10<sup>th</sup> grade) finished the regular season with a 17-9 record at #1 Singles. He was one win away from being a state qualifier. This is truly an up and coming team and the future is bright for Blackhawk tennis.

The JV team also went 4-12 and finished 8<sup>th</sup> in conference. This year, the JV had the most participants in 15+ years, so we are very excited to see the program grow and on the right track.

Jason Kaiser, JV coach completed his first season as a coach and did a fantastic job. Our players are continuing to play over the summer (plus are helping with a summer tennis camp) and look forward to a winning season next year.

## 2015 Softball

The softball team had its best season in quite some time. The varsity team went 28-9 and won a regional title for the first time since 2007. The team went 18-4 in conference play to finish as co-champions, along with Waubonsie Valley for first place in the Upstate 8 Valley Division! The team also won the Regional championship!!

Leading the team were first team all conference players Hannah Beatus, Taylor Podschweit, Kendall Podschweit, and Cara Jimenez. Hannah Beatus went 18-6 on the mound with 199 strikeouts while Taylor Podschweit was voted the most outstanding player in the Upstate 8 Valley Division. Taylor hit .436 with 7 HRs ( a new school record!) and 33 RBI's. Taylor also has the career record with 10 HRs and was recognized as Female Athlete of the year at West Aurora. Taylor and Hannah were also recognized as First Team All Area players by the Daily Herald. Cara Jimenez was named 2nd team all area by the Daily Herald.

Kallie Rundle, Corey McCreedy, Carley Frauenhoff, and Jessica Vargas were named honorable mention in the Upstate 8 Valley Division.

It was truly a team effort this year as all the players worked very hard and were unselfish and dedicated the whole season. The rest of the Varsity roster was Tori Hunger, Grace Hunger, Jamie McCreedy, Jessie Wayzer, Lexy Faxon, Libby Zoppa, McKenzie Copher, and Kim Shliff.

## 2015 Baseball

Jared Liebelt was named 1st Team All-Conference

Eduardo Terrazas, Phil Mallory, Win Kipp and Jimmy Tunney were named Honorable Mention All-Conference.

Jared Liebelt was the MVP  
Seth Palmby and Jared Liebelt were named Captains

## 2015 Boys Lacrosse

This was our inaugural year and it was a great one! We had a team of 20 boys that most had never played the sport. They grew together as players and as a team and ended up with a record of 9 wins and 10 losses, and 3 of those losses were in OT. They also played in their first tournament at Marmion – 4 games in one day and came out with a 2<sup>nd</sup> place trophy! It was a great season and we can't wait for the next one...

Most Improved: Kobe Nguyen  
Most Improved: Austin Chione  
Best Defense: Dominic DeGaetano  
MVP: Dylan Hannon

## 2015 Boys Volleyball

West Aurora Boys Volleyball had a great turn-around season, finishing with a record of 15-17, highlighted with our winning record at home and 2nd place tournament finish at the Blackhawk Varsity Invite. We are returning nearly our entire team, minus Will Shoemaker (attending Trinity Christian on a volleyball scholarship) and Nick Catania (Western Michigan - academics). We will miss both as they were loyal hard-working contributors to the program. Next year's team features a lot of potential, tied-together with a schedule that works in our favor. Could be a wonderful 2016 season!
